At a meeting of the Agricultural and Irrigation Development Board held on the 8th June 1948 the paucity of qualified Minor Irrigation Overseers to execute the large number of Minor Irrigation works came up for consideration. The committee resolved that the ~~fatted~~ failed and unqualified hands might be started on a lesser pay i.e. Rs 60/- p.m. till they eventually qualify themselves for the post. It was on this resolution that the Board directed the Collectors of all districts to start such candidates on Rs 60/- (vide Board's Ref D.5437/48-1 dated 18.6.48) till they eventually come out successful in the examination prescribed for the post. In view of the stop gap nature of the arrangements then and of the fact that the pay fixed was lower than that fixed for a qualified candidate the orders of the Government were not obtained. The dearth of qualified hands still continues the Board therefore recommends that the orders issued by it in Reference D 5437/48, dated 18.6.48 may be ratified.
